Mrs. Kellar Set to Sell in Test Site

The first check in payment for the
test facility, project
National Aeronautics and
Administration, was given
Mrs. Samantha B. Kellar on
Monday.

The purchase consisted of her
own home and 12 acres of
land, an original 112-
acre tract purchased by Mrs.
Kellar and the late Frank Kellar
in 1942, on the Old Napoleon-
ville Road.

Mrs. Kellar were
born and raised in this, the Aaron
Kellar community, as were
her families for four genera-
tions.

Her husband was a member
of the board of supervisors re-
siding in Beat 2 and Mrs. Kellar
succeeded him on the board. She
is presently connected with Han-
cock General Hospital in Bay St. Louis.

She received her check from
Carl M. Phillips, project attorney
for the Corps of Engineers,
the local office; William R.
Phillips of Pass Christian, em-
ployee of the local real estate
project office who participated
in negotiations and O. B. Moore
of the real estate division here,
were also present.

Mrs. Kellar said she is well
pleased with the compensation.
She plans to build a new home on lots
already acquired in Bay St. Louis.

The Engineers commenced
negotiations with landowners in
certain segment of the fee
simple area three weeks ago
following survey and appraisal of
the property since NASA an-
nounced the site selection last
October.

Negro Athlete of Year Victim of Drowning

The youth who was recognized
as athlete of the year at Valena C. Jones
school was the victim of drown-
ing yesterday afternoon, first of
the year in the county.

Did was Robert Osborn, 17,
quarterback and co-captain of the
Jones football team and its star base-
ball player, according to Prin-
ciple J. S. Price. Robert was in
the 10th grade.

Sheriff Gerald V. Price said
the final accident occurred about
8:30 p.m. at the swimming hole
off Uman Avenue at Seminary
Drive, Brother Dean of St. Stanis-
laus College was immediately
summoned and administered
artificial respiration until Drs.
Marion J. Wolfe and Andrew K.

Schools Okay SOS Purchase

Emergency purchase of fire
extinguishers and first aid kits
for the county's school bus fleet
was authorized by the board of
education Saturday following ar-
rest of two drivers by the State
Highway Patrol. The expenditure
will be \$23.50 for each of the 23
buses run daily and Walter J.
Phillips, attorney for the board,
advised Superintendent K. G. Mc-
Carthy to get the verbal bids in
writing from three firms before
proceeding.

Objection to the speed-up pro-
cedure was voiced by Beat 5
Trustee E. P. Ortte who com-
plained that the type of equip-
ment "has legs" and would be
missing by fall. He argued furth-

Ross Pumps Industry

Lauds Brignac On New Plant

Gov. Ross Barnett heaped
praises on F. M. Brignac for his
role in bringing new industry to
Mississippi and then went on to
enumerate the role his adminis-
tration has played in this field
at the dedication of the Industrial
Enamelling Division of Industrial
Electric, Inc., here Wednesday.

The governor labeled Brig-
nac, president of Industrial Elec-
tric, as Bay St. Louis' No. 1
citizen and commended the co-
operation of the citizenry in its
first venture into major indus-
trialization with the enameling
plant erected under the state's
Balance Agriculture With Indus-
try financing program.

Joe Bullock, director of the
State Agricultural and Indus-
trial Board, told the assemblage
that nowhere that a BAWI cer-
tificate of convenience and neces-
sity had been granted had there
been the cooperation found here.
He praised Industrial Electric as
one of the soundest industries
to come to Mississippi and de-
clared that with the NASA test
site also moving in the name
of Bay St. Louis is becoming
known throughout the nation.

KEY TO THE CITY - E. M. Brignac, left, president of Industrial Electric, Inc., displays to
his family the gold key to the city of Bay St. Louis presented to him by Mayor John A. Scaffide, right,
during dedication ceremonies for the firm's new enamelling division plant. Others are Mrs. Brignac,
their daughter, Mrs. Don Ladner, Robert Gullbault, division manager, and Mr. and Mrs. E. M.
Brignac, Jr.

Even before these two devel-
opments, he said, the city was
working closely with the A&I
board, noting that last October
it executed a contract for a

A Crane Creek man reported
in good condition yesterday at a
Hattiesburg hospital while his
elderly uncle was held in Han-
cock County jail on charges of
intent to kill as the result of a
shooting at a north county farm
Sunday afternoon which climaxed
an argument over who was to
dispose of a troublesome cat.

The uncle, Artis Dedeaux, 65,
who had been living at the farm
home of his brother-in-law and
sister, Mr. and Mrs. Purcell
Shaw of Crane Creek, was picked
up on the edge of a road several
miles from the scene of the in-
cident shortly before 11:30 p.m.
Sunday and brought to the county
jail. Hearing of charges against
him is being delayed until a full
investigation can be made of
events leading up to the incident,
according to Sheriff Gerald V.
Price.

Polly

At Waveland

May, the name somewhat obscurely connected with the goddess, Maia, who according to Greek mythology was one of seven daughters of Atlas and Ptolema, and, still mythologically, is at present floating about above as one of the constellation Pleiades, commonly known as the Seven Sisters, is upon us once more—this month that has inspired even more lyrical rambling poetically than June, is happily running true to form—flowers blossom, birds sing and balmy breezes blow. . . so much for our personal welcome to one of the loveliest months of the year. . . we'll skip any mention of fast growing grass and weeds, gnats or mosquitoes and move on to news of the day.

Get Well Wishes

Might as well begin with get well wishes. . . Lester Haverly is up and about once more although he's still forced to take it easy. . . plethoritis has had him grounded for the past couple of weeks. . . didn't mention it earlier as we had an idea he'd be swamped with well wishing visitors and the doctor prescribed a much needed rest. . . Bucky Dubois is in our midst once more after having eye surgery in New Orleans. . . Ella Favre's piano selections are basking in his recovery. . . Billy McCall was hospitalized again last week. . . another asthma attack was the reason for his confinement. . . Mercedes Spahr has also been a victim of this malady as has Shirley Piazza—hope they're all fully recuperated on we go to press.

It Was a Busy Weekend

A very busy weekend had just about everybody hopping here and there—Friday night Legionsaires and their wives enjoyed a dance at the local post—the band was excellent; although the crowd wasn't too large, a gay time was had by those in attendance. Among those tripping the light fantastic, and of course, the wiser, were Anna and Gilbert Gayens, Marian and Russell Elliott, Polly and Joe Compretra, Mary Alice and Joe Beaumont, the John Rutherford, the Henry Capdepona, the Frank Tocchini, Gloria and Red Reimlich, Betty and Gordon Romanoff, etc., etc.

Threatening clouds and one brief shower had no effect whatever on Christ Episcopal Day School's annual spring festival Saturday—The program, songs of the States, was presented by the students, after which everyone relaxed and ate the barbecue, hot dogs and the usual trimmings before the more strenuous athletic activities took place. . . P. T. A. proxy Helene Boyd was everywhere seeing that everyone was happy—committee chairman chibly assisting included George Torgersen, Edna Yarbrough, Margaret Hedden, Helen Messner, Elsie Clark and numerous others.

Just about the time the time folded its tents the Sideline Club fair began—there were the usual booths, games of chance and refreshments—once again the weatherman was in a good frame of mind. . . brilliant sunshine favored the affair both Saturday and Sunday—there were so many people it was difficult to see exactly who was doing what—in evidence were Ruthie and Red Davis, Mamie and Max Gmelindon, Carmen and Toby Piazza, Gerri and Sam Blanchard, Angie and Jake Morreale, Jenny Bourgeois, the Joe Clockpoo, Beattie and John Benigno, Margie and John Anderson, Ahies and Sterling Balaski, Libby and Charlie Ferry, Doris and Jack Sawzeman, and uncounted dozens more.

Many arriving late at the Sideline affair had just left St. Joseph's May Festival, another event of Saturday night. . . everyone insisted that it was even lovelier than usual this year—and naturally the tiny tykes, pages to the maids and dukes, drew oohs and ahs when they appeared in pastel formals and small summer dress cuts.

Anniversary Time

Rubie and John Borgeades will celebrate their 34th wedding anniversary on Sunday. . . the day after youngest son Harold and pretty Eleanor O'Farrell are to be wed in Clermont Harbor Methodist Church.

Gerri Blanchard was another recent birthday celebrant. . . husband Sam presented her with a white mink trimmed cashmere sweater on April 19.

Little Margaret Ann (Missie) Tarterton, daughter of PCI golf pro Dick Tarterton and wife Fran was christened Sunday. . . Dotie Holmes was godmother, Roy (I mean Soy) Saux, the godfather. Arriving Thursday to visit her son Sterling Balaski and wife Ahies, was Mrs. Ann Balaski of Arcadia, Calif. She was accompanied by her daughter, who is naturally Sterling's sister, Dot Makau and husband Ed, also of Arcadia. . . Dot and Sterling hadn't seen one another in five years, so quite a family reunion took place.

Jake McDonald, a med student at Old Miss, originally from Hattiesburg, was a weekend guest of Barbara and Bubba White. . . He'll spend the summer with the Whites as he "vacations" by working for Tennessee Gas Co.

Bay Side of the News

Bay Waveland Garden Clubbers were unanimous in their admiration of Mrs. Ruth Luderbach's beautifully done Exodus backdrop, viewed at the annual spring flower at the Garden Center show last Thursday. Get well wishes to Mrs. Owen Williams who is confined to her home with a slipped disc, and to Rufus Lustich—he too is troubled with his back. Junior Johnson is still bucking for the title "King of the softshell crabs"—he picked up an additional 200-plus last Thursday night.

Members of the Lakeshore Garden Club were treated to a view of Louise and Dave Markey's lovely new home last Thursday. . . Nettie Burleigh was co-hostess for the annual April luncheon—Dave prepared delicious barbecued chicken for the guests—other delicacies included baked beans, cole slaw, "dirty" rice, hot home made rolls and a variety of beverages. Quite a feast, as Louise and Dave had spent the previous day assisting in preparing and serving food for the cancer benefit luncheon at the Parish Hall. . . complicated also by the fact that Louise received a particularly nasty dog bit that night (Wednesday) and spent several hours at the local hospital for treatment of canine.

Katy Mallers will soon have to add a trophy room to her home—she picked up two beauty last Monday night when Der Maddler's bowling league held their banquet. . . she won statuettes for both high average and high three game games.

Lots of excitement in Clermont Harbor Saturday A. M. Fritz Garcia's buzzard truck sprung a leak and he dared not move the vehicle due to the danger of explosion. . . the dilemma was happily solved by transferring the gas to another truck until his could be repaired.

Kate and Roy Sam are the latest to acquire a new car. . . it's one of the new small (but teeny tiny) models. . . a pretty shade of blue.

On the Sports Front

Don Gilman, Harold Zimmerman and Connie Harlithy came up with three marksmen and a few bradons. . . the results of a fishing trip to Chandler last Friday. . . they went on Don's boat which isn't exactly small, but so rough was the water, they would have been bounced about on a liner that particular day.

Father O'Brien was sufficiently recovered from a bout with flu to greet warmly all guests at the reception in his honor at the Parish Hall Sunday afternoon. . . he was much more numerous to mention, but we are

ing. . . Joe's golf occupied much of his weekends. Speaking of lovely ladies, they're much too numerous to mention, but we are

Good news — Clio Smith has returned home from Hancock General and is making an amazingly speedy recovery from major surgery performed last Tuesday. More get well wishes go to Postmistress Thelma Landry who was taken to Hancock General Sunday—hope she'll be up and about again real soon.

Scoop

Our newest newlyweds are Mr. and Mrs. Raymond Ledner. Mrs. Ledner is the former Doris Ray of Purvis. The happy couple were married in New Orleans last week by Rev. Franklin Atkinson, former pastor of First Baptist Church here, and enjoyed a honeymoon in Mobile. Raymond's younger daughter, Linda, is visiting him and Doris, as older daughter Iris and family are vacationing in Florida.

Jodie Schwartz, who with daughters, Marietta and Yvonne, recently moved to an apartment on Carroll Ave., was the winner of the empty filled black poodle given away by the Hancock County Cancer Crusade.

Trip with Son

Brewster Mallers took young son, Jules, on his first (and last, at least for some time to come) fishing trip Monday. Jules, who observed his first birthday a couple of days ago, started off on the wrong foot by hurling his bottle out of the car window. . . once that was retrieved, they proceeded to the fishing spot. . . with some assistance from his father, Jules "caught" 15 or 20 fish. . . then as Brewster was catching a few more, the little one wandered away and hogged in the swamp up to his diaper. . . no sooner was this mess cleaned up, than he proceeded to spill all of the worms on the ground. . . as papa scrounged around for the worms, the little dear was in the process of merrily tossing all of the fish back in the water. . . then kicked his father in the shins when he refused to catch the same fish all over again. . . and that was the finale of the fishing expedition.

It's Called 'Horse Sense'

A horse can't pull while kicking.
This fact I merely mention.
And he can't kick while pulling,
Which is my chief contention.

Let's imitate the good old horse
And lead a life that's fitting;
Just pull an honest load, and then
There'll be no time for kicking.

ANONYMOUS.

You're Needed

It is probable that at no time has the Hancock County Chamber of Commerce needed the support, both financial and otherwise, of the area's business and professional men as much as it does now for the BENEFIT of the business and professional men. It has been the primary organization, civic or political, in advertising the county as a place to live, and with Michoud and NASA this has become much more important. Nevertheless, the chamber's membership is down this year when it is called on to do more work and even more, more work should be done if Hancock County and the Bay-Waveland area are to prosper as they should.

To our knowledge membership in the Hancock County Chamber of Commerce costs a ridiculously low amount—less than a fourth of the average for a four to six thousand population community. For that reason it needs more members and more support in the work sense than do most communities, yet its membership drive is behind last year's and the year before.

While a chamber of commerce is primarily a business and professional man's organization, it also helps a community generally and where speedy growth has occurred the local chamber has usually been the ring-leader in helping the community at large. In that respect, because their problems are similar to the ones we are facing, we can specifically refer to Huntsville, Ala., and the Cape Canaveral area, other NASA points, for proof.

Consequently, the Echo urges not just the business and professional group to support by membership and by active participation the Hancock County Chamber of Commerce, but believes it is in their own interests for many not so classified to join the organization and offer their ACTIVE help.

A Reminder

On several occasions the Echo has expressed its willingness to let others' views be known through "Letters to the Editor." It has encouraged them. At the same time it has set down limitations.

The limitations are that the letter be signed, the topic one of general interest to this area, and that the letter be worded in 300 words or less, about the average for a lead editorial.

From the 300 word limitation we have too often deviated. On those occasions it has been because the subject matter was controversial and probably because we didn't want to hurt the writer's feelings.

Notwithstanding our past errors in printing lengthy letters, we are forced to now respect that all such letters must stay within the limit of 300 words, which are a lot of words, if we are to print them.

BE IT REMEMBERED, that on the 27th day of April, 1962, there was a special meeting of the Municipal School Board of the City of Bay St. Louis, Hancock County, Mississippi, which meeting was legally called and held upon due notice in writing to the individual members of said Board, specifying the purposes thereof: Said meeting was held in the office of the City Superintendent of Schools in the said City of Bay St. Louis. WHEREAS, the Board finds that there are no funds available whereby the improving, constructing and equipping of such facilities could be done; therefore,

BE IT RESOLVED that the Board of Trustees of the Bay St. Louis Separate School District request the Mayor and Commissioners of said City to borrow \$45,000.00 for the purpose of clearing land for a football field, constructing stadium seating, lights, rest room facilities, concession stands, and a fence around football field and stands out of funds to be provided by the City Commission of Bay St. Louis, Mississippi, and that said Mayor and Board of Commissioners issue notes or certificates of indebtedness to evidence said indebtedness and that said notes or certificates bear interest not exceeding four per cent per annum paid annually or semi-annually, or that the Board of Trustees may, in its discretion, determine that the principal and interest shall be paid out of certain funds provided by the City Council of the City of Bay St. Louis as provided for in House Bill No. 21, Extraordinary Legislative Session of 1953, and all amendments thereto, including Chapter 275 of the 1956 Regular Session of the Legislature.

We admit it can be pretty confusing these days choosing the right air conditioner. Well, it's not so when it comes to buying a new RCA WHIRLPOOL. There's absolutely no guessing. Just tell us your needs . . . how large an area you want to cool . . . we'll do the rest. Best of all, you'll be assured of getting the right cooling capacity . . . it's stamped and certified on every new RCA WHIRLPOOL. And, there's an RCA WHIRLPOOL for every kind of home and budget, too. New "TH" control dries the air as it cools it. We have models especially designed for casement windows and there are still others that cool in summer . . . warm in winter. Come see them soon!

In Jackson because most of the buses did not have brake inspection stickers or current tags. He said he was doing it not "for a grudge but for the safety of our children."

Phillips noted that the charges had been dismissed in Justice of the Peace Court, adding that the tags had been ordered some time ago but the sheriff's office was not able to get delivery on them. McCarty this week said all county-owned buses had complied with inspection requirements.

Purchase of materials needed for the vocational agriculture shop at North Central without approval by the board and bids also consumed much time at the session, Phillips endeavoring to check all aspects of the purchase and state laws to protect board members. He told the Echo Tuesday that it had been determined bids had been secured from three firms and the amount of each was under \$250 which complies with regulations for emergency purchases.

Meanwhile McCarty notified North Central Principal Leo Rouse not to make any further purchases without clearing with the board and to ask his department heads to submit a list of their needs for the next school term in writing by June 15 so those deemed necessary can be programmed in the next budget.

A report was presented from the Mississippi Accrediting Commission noting requirement of a full-time librarian at North

Central for it to gain an A rating, as well as eliminating over-loaded classes. Trustee Alton D. Keller of Best 2 and Ortho concurred that plans for a driver-education course at the school should be tabled until these deficiencies can be remedied.

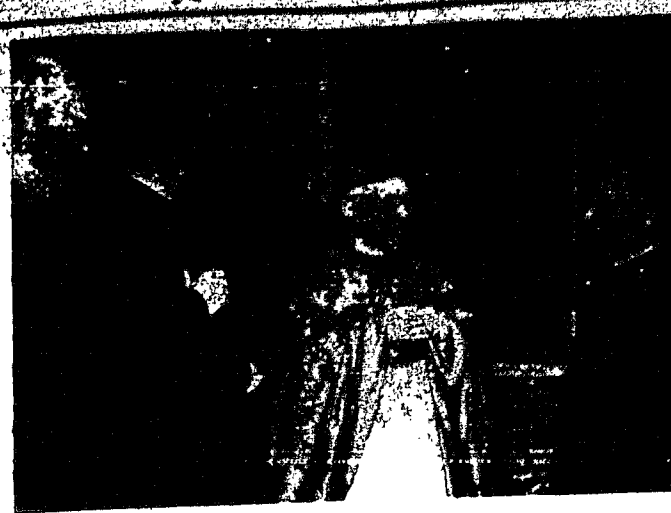

J. D. Penton, who will take over at North Central as principal for next year, said he understood poor attendance was costing the system money in that state aid is based on average daily attendance rather than total enrollment. He noted that enrollment is around 900 while the ADA is only 700. He called for a stringent policy on absenteeism and outlined plans to curb it.

At McCarty's suggestion, it was agreed to ask Rep. Clarence Lader to introduce special legislation to permit the board to pay from available athletic funds towards two large debts incurred in this field with the board's approval. McCarty noted that the whole system suffers when bad credit is involved.

Permission was given to Coach Billy Sills to use next year the quarters being vacated by Claude Renfro who has resigned from the North Central Faculty and the board expressed distaste for Renfro's parting comments printed in a New Orleans newspaper.

First meeting of the Gulfview School P-T-A will be at 7:30 p.m. Tuesday, May 15, when the newly elected president, Charles DeBourget, will take office along with V.P. Fred Johnston, secretary, Mrs. Ernest Chevas and yours truly as treasurer.

Our apologies to Mrs. Tom Thom and Mrs. Fred Dick. They were responsible for the lovely shower given week before last for bride-to-be Eleanor O'Farrell, and not the entire membership of the Methodist Church as I seemed to imply.

Virginia Thomas did not win the SJA May Queen contest and all her sponsors were disappointed. But not Virginia. She looked lovely in a beautiful white formal and while all were in a dither awaiting the announcing of the winner, Virginia was as calm as the trade winds blowing across the South Pacific.

Mrs. Donald Seger arrived home from a three-week visit with her husband, Staff Sgt. Donald Seger in Kingston, N. Y., when she received a call to meet him in Kalamazoo, Mich., where his father, D. L. Seger is critically ill. The three boys and Myra Ann's brother Buddy Seal, made the trip with her.

We are sorry to lose Luke Caruso to the Bay school system. He will be missed at Gulfview for he was always such a hard worker for the school Best of Luck.

Fritz and Joyce Garcia of Clermont have taken over the management of Superette Gas Co. in the Bay. Fritz will man the trucks and Joyce will be office manager and bookkeeper.

The dewberries have been plentiful this past week. Five turned eight gallons into jam and some jam. We've also eaten enough for an army. We like them chilled and dipped in sugar—oh, so good!

Jake and Odessa Schwartz and the children, Jacqueline and Jake, came over for the weekend to visit the Warren Garcia's.

Johnny (Bubba) Erskine, Ronnie McLaughlin and Melvin Lucich have returned to Ft. Chaffee, Ark., after an enjoyable Easter leave.

Congratulations to Mr. and Mrs. Clifford Lafontaine (nee Barbara Noto). They have a daughter their first child born in Ft. Smith, Ark., where Clifford is stationed. Proud grandparents are Mr. and Mrs. Tom Noto of the Bay and Mr. and Mrs. Raymond Lafontaine of Lakeshore.

Congratulations are also due newly weds Mr. and Mrs. J. D. Bennett who were married Sunday at 3 p.m. in St. John's Catholic Church here. A reception followed for the family and close

friends was held in the civic hall. The bride is the former Rebecca Nubless, daughter of Mr. and Mrs. Eldridge Garcia. The groom is the son of the Grover Benetts of Pearlington.

Once again we'd like to remind parents of youngsters starting school next September to bring them to the school this Friday for registration.

Irvin Favre, former Gulfview student, now grown and married, has been made salesman for Fuller Brush Co. for this area. He carries a complete line of household needs plus the brushes.

The home building is really progressing around these parts—Ann Lang and Uncle Richard Riggs' is completed outside with a beautiful, aquamarine blue paint job. Herbert and Helen Des-Gracious are in the floor sanding stage. Edward and Ette Yarbrough are putting the roof on theirs, and Lawrence and Christine Spence are cleaning the yard and waiting for the interior of theirs to be finished.

A very happy birthday to Mrs. John Weathers of Waveland who celebrated Sunday afternoon at the home of her parents, Mr. and Mrs. E. F. Dunbar on Old Spanish Trail. Among those enjoying the birthday dinner were the honoree's husband, John, who is on leave from Veterans' Hospital at New Orleans, Mr. and Mrs. Francis Dunbar and sons, Terry and Francis, Jr., Mrs. Frank Repler, Mr. and Mrs. Albert Sheld, Mrs. Paul Weathers and Edward Weathers.

Wolfe Infant Is Christened Sunday

Douglas James Wolfe, fourth son of Mr. and Mrs. John Wolfe, was christened Sunday afternoon at St. John Divinity Church in New Orleans with Miss Peggy Mond of Bay St. Louis as godmother and J. T. Wolfe, Jr., his uncle, as godfather.

Others from here attending the ceremony were Mrs. A. J. Mond, maternal grandmother and four daughters, Mrs. J. Townsend Wolfe, paternal grandmother, and Mrs. James Tecord.

Michael Florie Feted on 12th Year

Harbor Happenings

BY RAY COPE

MO7-5877

EDITOR'S NOTE: Welcome back to our pages our Harbor Happenings columnist whose eye ailment has curtailed her writing of late.

The last of a number of heart attacks brought a peaceful sleep to Rev. John Bonaccarrere last week. His funeral was conducted from Winborne Methodist Church in Baton Rouge where only four months ago 250 friends met to congratulate Mr. and Mrs. Bonaccarrere at a beautiful reception in their honor of their golden wedding anniversary.

For many years the Bonaccarreres made their home in Clermont where he was pastor of Clermont, Lakeshore and Waveland Methodist Churches. After his retirement and illness they moved to Baton Rouge where their sons and daughters live with their families. The sympathy of the entire community goes to Mrs. Bonaccarrere and her family.

A wedding of much interest will take place at the Clermont Church on the Blvd. when Eleanor O'Farrell and Harold Boudages, both of Lakeshore, exchange their vows Saturday. The William Shaffers have added 50 per cent more room to their living and dining rooms by removing two partitions and the center handsome blond brick fireplace provides many cozy hours of relaxation on cold winter nights. Mrs. Lillian Rieker of Howdy on Poinsette St. was hostess to Miss Kathryn Reddell of N.O., only woman U. S. district attorney in the USA, and Mrs. Reddell, her 82 year young mother, whose sparkling wit and mental agility kept the conversation rolling when other friends dropped in to say howdy.

Cake And Candles

Belated happy birthday wishes to Eloye Ann Klain who celebrated April 18 and to Dee Byrnes on April 27. The Carl Charles Augustine daughter, Bertha will celebrate May 7; the Burtleigh daughter, Shirley Broussard, on May 11; and Olo Moran should gift his lady, Irene, with a ruby for their 41st anniversary May 19; and Gladys Boudages Bouter can her birthday cake on the 2nd.

Postcarding from Savannah and Sea Island, Ga., Louise and Jean Charbonnet report a lovely visit with her son Jack, his wife Alice and the grandchildren but fail to mention date of their return. Al Landry, lured by illness while waiting for his ship to get out of dry dock, has turned to building homes and has a single, a double, a two-story, a duplex and an apartment house filled with billing and cooling tenants—his houses are strictly for the birds—and hang in the trees in their grounds. He was finishing one last week as a surprise gift to Ida Jourdan on her return later in the day. Vivienne Simms anxiously awaits the return of her son-in-law and daughter, Maj. and Mrs. R. A. Cushing, from West Germany where he is finishing his three-year tour of duty. The youngest of their seven children was born in Germany on Jan. 15.

The Irvin Oleans of New Orleans and Oak St. expect to become permanently settled here as their son, Irvin, Jr., has bought his father's business in N.O. and will move from Opelousas, La., and take over his management July 1. Willie Lecher thinks he must be the only man around who has served as best man to the same couple 50 years apart, 1912-1962, as he did at the golden wedding of his friends, the Ora Lechers of Lakeshore on April 21.

Beauty of the Gardens

Gardens are unusually beautiful this year - that of the Harvard Burtleigh brightens up the whole of Second St., Honore Hughes' fence-line of pink roses is worth driving by to see. The block long line of red honeysuckle and huge red roses furnish a bright display of color at Telford between Poinsette and the Harbor. Unfortunately the beauty of the yellow Marchess Neil under their bedroom window could not be seen from the street. Nobody's azaleas were more beautiful in March than 12 foot high ones that shield their house from the street.

At Mary and Joe Rousseau's place on Oak St. The Iris, official flower of the Blue Jeans Garden Club, got its name from the mythological nymph Iris, whose dialike of rain caused her to sulk until the sun shone again, at the sight of which she would make joyous leaps through the rain washed sky, leaving an arc of scintillating colors behind her, which today we call the rainbow.

Festive Events

The lawn of the C. B. Diboll summer place on Boudages St. was alive with color of good-looking sport tops worn by the 68 guests who assembled there to participate in the picnic barbecue they hosted in honor of Miss Johann Lipp and their son, C. B., Jr., whose marriage will take place in Winborne Methodist Church, Winborne, La., May 12. The weather was perfect for the dames, music and dancing that continued throughout the day.

Mrs. Albert Garcia entertained at a family dinner party Easter Sunday when her guests were son-in-law and daughter, Mr. and Mrs. L. C. Williams and daughters, Beverly Ann and Janet, of Plaquemine, La., her son and daughter-in-law Mr. and Mrs. Jordan Johnson and their children Jeanne and Jordan, Jr., of N.O. son Floyd, his wife Marcelle and their children Gail and Susan, son Harold, his wife Lillian and their children Marie and Neely Rose, daughter-in-law Lucille and her son Herman, Jr.

er had the pleasure of being with Father Haddican at the convention. You will be pleased to know that the youth of Hattiesburg have given him a tremendous welcome. Their response on Saturday and Sunday brought home memories when he was with our children in Bay St. Louis.

The Hattiesburg council has the only Columbian Squares Circle within the state. It is hoped that the powers to be will initiate a program to permit us to be the second.

CYPREX® OUTSTANDING NEW SCAB CONTROL FOR PECANS

Cyprex - the remarkable new fungicide for pecan scab - has licked the scab problem wherever it has been used

Scab-free cluster at left was protected with CYPREX. Scabby cluster of nuts was brought from unsprayed tree for comparison.

How Cyprex keeps yields up

1. CYPREX keeps scab from attacking young nuts; keeps them from falling off.
2. CYPREX stops scab from attacking leaves, preserves leaves for food manufacture and maximum yields. CYPREX prevents scab from defoliating trees.
3. CYPREX prevents late scab attacks which can prevent nuts from filling out.

How to use Cyprex

Use 1/2 to 1 pound of CYPREX per 100 gallons of water. The number of applications varies from 2 to 6 according to weather and the amount of scab present.

Spray from first show of leaves until shuck split. Your County Agent can help you work out a pecan scab control program with CYPREX that fits your grove and conditions.

American Cyanamid Company, Agricultural Division, Princeton, New Jersey. CYPREX is American Cyanamid Company's trademark for its dodine fungicide.

The label instructions on Cyanamid products, and on products containing Cyanamid ingredients, are the result of years of research and have been accepted by Federal and State Governments. Always read the labels and carefully follow their directions for use.

Harry Hears... Trip to Texas?

Houston's Colts continue to show up well in the National League as baseball activity has moved into full gear. St. Louis continues to be a surprise as does Pittsburgh, and Los Angeles has displayed a notable lack of power. The Chicago Cubs have been the biggest disappointment although the Cincinnati Reds haven't exactly set the world on fire themselves.

We've heard a couple of Hancock Countians talk of going to Houston to see the Colts play and for people who really like baseball at its best, the short day's trip to Houston isn't a bad idea at all. For those who plan such a trip the next few weeks, here's the list of games scheduled in the Texas city in the coming month. Monday, the Los Angeles Dodgers whom many think will win the N. L. pennant move into Houston for a four-night stand through Thursday night. San Francisco then invades Houston for single games Friday and Saturday nights and Sunday afternoon.

After a short road trip, the Colts will return to Houston May 21 and will play two night games with the New York Mets, two night games with Cincinnati, and two night games and a Sunday afternoon game with Pittsburgh. Another road trip follows, and then the Colts between June 3 and 14 will play host to Milwaukee, Los Angeles, and New York, with a June 10 Sunday doubleheader among the games scheduled.

National Note for Bay

We were pleased to notice this week in Sports Illustrated, probably the top sports magazine in the nation, that in a section listing sporting events for the month of May in the South, Bay St. Louis was mentioned twice.

The \$1,500 Lazy Y Stables Rodeo which opens tonight and lasts through May 6 was mentioned and the Sidelines Club-sponsored Inboard Regatta also received recognition. When you consider that New Orleans was mentioned only three times, Miami only twice, and Jackson only twice, and that Columbus (named once) and Jackson were the only other Mississippi towns noted, we think Bay St. Louis must rank pretty good as a sports town.

Speaking of the rodeo, the Lone Star Rodeo as it is known, is the most traveled in the world. It is under the direction of Bob Estes and Jim Cannon of Baird, Texas, and has appeared throughout the United States and in Paris and four other leading European cities.

It is approved by the Rodeo Cowboys' Association and for each \$1 won at the rodeo, the winning contestant receives one point which is sent to Denver to be included in the tabulation deciding the World's Champions in various events.

The rodeo will be on the Lazy Y Stables Riding Club grounds and will take place at 8 p.m. today, Friday and Saturday and at 2:30 p.m. Sunday. Admission is \$1.50 for adults and 75 cents for children.

Another Boxing Stand

Boxing comes back to Bay St. Louis Friday at St. Stanislaus Gymnasium when Bay boxers tangle with fighters from St. Mary's CYO in New Orleans. The boxers from St. Mary's are under the management of Whitey Eenauck, long-time manager of Ralph Dupas, leading professional welterweight contender who Monday won a unanimous decision in a fight in California. Trainer of the St. Mary's boxers is Lloyd Lane, another man with a high reputation in the boxing world.

St. Mary's is famous for being an outstanding amateur boxing club. Many leading boxers, including Dupas, received their first training lessons there and boxed at St. Mary's during their youth. In recent years, several professional bouts have been staged in the St. Mary's gym, but the club itself is devoted to amateur boxing.

If the local boxers win over St. Mary's they will really have accomplished something. Who knows? Maybe there is another Dupas at St. Mary's today. We are hoping one thing—that the local fighters wear head guards in the matches with St. Mary's! Not that they're all going to get knocked cold, because we're sure Buck Price's crew is well-taught and talented, but because somebody might get hurt!

Sports Star of the Week: Golden Jones, fleet St. Stanislaus junior, was a one-man show Saturday in the District Eight A-AA track meet at Gulfport. He set the District record in the 440-yard run and thus, SSC now holds six of the District records. John Gihlaint has the high jump record, J. E. Lotacano claims both the discus and shot put marks, and the 880-yard and mile relay teams also hold the District record.

Tiger Hopes For Circuit Title Shaken

Bay High's hopes for a Gulf Coast Conference baseball title got a sharp blow Thursday afternoon in Bay St. Louis when the Tigers went down to a 7-1 defeat at the hands of the Pass Christian Pirates. It was the second defeat within the loop for Coach Lance Lumpkin's Bengals.

The Tigers collected five hits off the pitching of Pass High right-hander Jimmy Benigno but could score only one run. In the last half of the first inning after Pass High had taken a 2-0 lead, shortstop Dick Watts singled and later scored on a single by catcher Ronnie Peterson. The visiting nine broke the game open in the fourth inning, scoring five times. Hitting safely for Bay High in addition to Watts and Peterson were centerfielder Don Soucier and first-baseman Richard Schaefer, the latter collecting two safeties. Lethander Sam Allison went the distance on the mound for Bay High allowing 10 hits.

Fred Wagner Heads City Planners Unit

Fred Wagner was elected chairman of the Bay St. Louis Planning Commission Monday night. He succeeds H. Hardin Shattuck, who resigned recently.

At the suggestion of D. Howard Adams, secretary, the commission formally set the officers' term of office to end on May 1 with election of new officers at the regular meeting in April.

Wagner's election came after Joe B. Burrow, vice chairman, who initially presided, withdrew his name because of the press of business.

Renfro Leaves Hawks

North Central.

Claude Renfro announced last week he has accepted the post as assistant football and basketball coach at Piquette High School for the next school year and will not return to Hancock North Central as grid mentor.

A graduate of Pearl River Junior College and Southern Mississippi, he was voted coach of the year by Gulf Coast Conference officials last season although his Hawk team failed to win a game. His team played all its games on the road due to a lack of lighting facilities at

Rocks Trail in 3rd at Biloxi Track Event

St. Stanislaus ran up against some rugged opposition Wednesday night, finishing a distant third behind Vigor High School of Prichard, Ala., and Biloxi in a triangular track and field meet in Biloxi.

The Rocks collected only two firsts in the meet. Golden Jones, ace junior sprinter of the team, ran the 100 in his usual :10.3 timing to win in that division, and Coach Billy Rhodes' mile relay team, consisting of Jones, Mike Brady, Valdez, and Waldo Caceres, also claimed first place. Phil Fasullo finished second in the 220-yard dash, Henry Klingman was third in the mile run, Fasullo finished third in the broad jump, and the Rockchaw 880-yard relay team finished second.

Vigor won eight events to finish way out in front with 76 points. Biloxi scored 48 and the local thincleds totaled 24. Stanislaus also participated this week in the District Eight A-AA track and field meet.

MODERNIZE

in three easy steps

STEP 1 Make Your Plans

The check list below is intended only as a thought-starter. You no doubt have in mind a number of repairs and improvements you want to make in your home. Wouldn't it be a good idea to make an exact list of the things you want to do? A conference of the entire family might be a good way to get this part of the project started. Once you begin getting your plans down in black and white you'll be on your way. You can start right now.

STEP 2 Get The Costs

With your plans in good order, you will have little trouble getting the costs of materials and labor. You may wish to do some or all of the actual work yourself, or it may be something you prefer to let out on contract. It will pay you to shop around and select from the wealth of modern materials available, and to get bids on any contracting to be done. The time you spend on this phase of your program will pay you in satisfaction.

STEP 3 Apply For a Loan

At this point you are ready to obtain a loan to cover the costs of your complete project. Simply bring your plans, price data and any other helpful information to our office and we'll work out a loan with you. A home improvement loan for the sum you need can be arranged promptly, without red tape or delay. Our loan rate is low, and repayment terms will be on a mutually agreeable basis that will enable you to repay the loan from income while you and your family are enjoying the improvements.

Let's Talk It Over

Would you like to discuss your problems right now? Please feel free to come in without any cost and with no obligation.
